Steering Committee:
Sorry for the late notice, but I am calling off the steering committee conference call that was tentatively scheduled for tomorrow, Wednesday, July 11, since the publishing agreement is yet to be signed. We were given an update by Zsolt Silberer, AWWA Director of Publishing, at the AWWA ACE conference in mid-June and he was optimistic that the agreement will be signed soon, but it hasn't happened yet. So, as soon as this happens I will re-schedule the call to discuss our plans and strategy to re-start this process.

On a sad note, I learned that one of our steering committee members, Warren Ringler, passed away on February 2, 2018. I have worked with him on the WTFDC committee for many years and he contributed greatly to our efforts. Warren will be sorely missed. His duties on the steering committee will be taken over by a new member, Ryan McCarthy of Roberts Filter Group. We welcome Ryan to our committee.

I hope to have some positive news soon.

Thank you for your patience!

Doug
